

About Living Hope Ministries:

Living Hope Ministries, founded in 1993, is a Christ-centered organization in the heart of Northeast Minneapolis which desires to see our friends and neighbors transformed by the power of the Gospel and living lives yielded to the Holy Spirit. We do this through a variety of means, including a church, children, youth, and adult ministries, academic tutoring, and business.

Summer Opportunities at Living Hope Ministries

Living Hope Ministries is looking for men and women who desire to joyfully serve the LORD—and grow nearer to Him in the process.

- ◆ Build relationships with children and families in the city
- ◆ Learn about ministry in a diverse urban setting
- ◆ Equip teens for ministry
- ◆ Use your gifts and skills
- ◆ Get out of your comfort zone
- ◆ See God at work, and grow in your faith!

About our summer ministry:

We will provide several weeks of programs for children of Northeast Minneapolis. Whether at sports camp, arts camp, or VBS, each child will hear the gospel of Jesus Christ and experience His love.

Each week, we host youth mission teams who get out of their comfort zone and minister to inner-city kids. We have the opportunity to facilitate their ministry experience and challenge them to growth in Christ while also building long-term relationships in our community.

We are asking God to provide more staff during the summer months to enhance the effectiveness of this ministry.

Full-time Positions for June-July:

Group Hosts- Work with the mission teams, equipping them to minister effectively to the children; coordinate service projects.

Youth Mentors- Work with a group of teens of NE Minneapolis, teaching the Bible, mentoring, and training them for ministry.

Community Relations Coordinator- As an ambassador of Jesus Christ and of Living Hope, reach out to new people and follow up with families who have been touched by our ministry.

Designed Image (DI) Intern— Participate in the process of producing screen-printed garments. The goal of DI is to mentor youth in job skills and potentially provide employment in our community.

Administrative Assistant— Assist with telephone and email communication, printing flyers, keeping participant database up to date, organizing transportation of children to programs, and other office work.

Other skills we are seeking:

- Leading worship
- Conversational Spanish
- Driving 15-passenger van
- Video Production

Raising Support

Part of coming on staff at Living Hope is raising financial and prayer support. This is an awesome opportunity to see God at work through the body of Christ! Summer staff members seek out prayer and financial partners to raise \$3000 for their summer income. Living Hope provides training for the support raising process.

Living in the City

Living among the people is important to us! Summer staff members are required to live in Northeast Minneapolis for the months of June and July. Living Hope will assist in finding housing.
