

Youth leaders,  
Are you looking for a mission trip that will get your students **out of their comfort zones** and challenge them to **grow in Christ?**

What if you could also **partner** with an established ministry in a **meaningful and ongoing way?**

Consider bringing your students for a week of “Mission Minneapolis” this summer!

**Testimony from a youth pastor:**

*“Our Missions week to Living Hope ministries was the most fruitful, most challenging and most productive missions trip I have taken our students on, ever. The students were placed in the wonderful tension, of having of having the ministry responsibility on “their shoulders” through teaching, preparing and running VBS. This left me as a pastor to do what I really want to do on missions trips—coach stressed students who are responsible to teach the Word of God. It was wonderful to have the student in this position. None of them could sit back and relax. They had to work hard and rely on God. It was wonderful.*

*“Steve’s leadership was evident. Living Hope is not a chaotic mess where the “clients” run the place, but is orderly and well run. This gave our students the security and freedom to teach and minister the word. This was very good.”*

## Who We Are

Living Hope Ministries is a Christian Organization in Northeast Minneapolis which desires to see our community transformed by the power of the Gospel, living lives yielded to the Holy Spirit.

## What We Do

LHM offers many opportunities for the spiritual, social, academic, and physical development of children and youth and seeks to strengthen their families.

## Where We Work: “The Miracle Mile”

We focus on a small area of Minneapolis—about 1 square mile spanning North/South between Lowry and Broadway and East/West between Central and University Avenues.

Over 5,000 children reside in this small area, and the average household income is at or below the poverty line. Many are from single parent families. Many do not know Jesus.

*Will you join our mission?*
